

A well-written, concise guide to repairing your credit reports and establishing new credit. This easy to use guide takes you right into the various methods you can use to correct inaccurate information, remove negative accounts, and start yourself on a path towards a better credit score. Includes sample letters to get you started immediately. Unlike some other, long-winded books, the author gets right to the meat and potatoes of credit repair, and you'll appreciate the hours saved so that you can use them to get right to work. Includes proven strategies and tricks of the credit repair trade. This is not a dispute it and run publication like so many other so-called credit repair publications. NOTE: While available worldwide to assist U.S. residents living abroad, this publication is focussed solely on the credit reporting system in the United States. This guide may be of little or no use to residents of other countries.

CyberGrace: The Search for God in the Digital World, Lessons from the Podium: Public Speaking as a Leadership Art (Paperback) - Common, Why Does My Dog . . . ?
