

The Aspen Code Book, edited by faculty familiar with student needs and course requirements, is an economical and efficient solution to a student's statutory needs. The code book organizes in one place all of the state and federal statutes which a law student taking a specific course would like to have readily available for consultation. Key Features: Attractive, easy-to-read design; content and organization that mirror content of law school course; Brief author commentary creating context for the statutory provisions in simplified terms will guide students through the more ambiguous and confusing statutes.
