

This can't be the Holy Spirit. Or can it? Stacey Campbell believed that supernatural experiences had ceased with the early Church. Yet in spite of herself, she was no longer sitting passively in a prayer meeting. She was now shaking, bouncing, speaking in tongues and giving prophetic utterance--overtaken by the Holy Spirit. The desire to understand this unmasked-for experience led Campbell, a respected teacher and leader, on a journey deeper into the heart of God. Here she explores this remarkable gift in which the Holy Spirit takes over a person--body, soul, and spirit. She offers biblical, historical, and modern-day examples; warns about deception; and explains how to grow in this gifting. Little did I realize that what I thought would be a great book for a unique segment of the Body of Christ would actually become a necessary book for the entire Body of Christ.--from the foreword by Bill Johnson, pastor, Bethel Church, Redding, CA; author, *When Heaven Invades Earth* and *Face to Face with God* This book will challenge you to be more fully possessed by His glorious presence. --Heidi Baker, founding director, Iris Ministries Stacey does not approach this topic as a casual observer of a current fad but as a disciplined, humble, tenacious servant striving to hear and obey the voice of the living God.--Robert Stearns, executive director, Eagles Wings, New York/Jerusalem Paul the apostle said there are varieties of manifestations, and the grounded teaching contained in this book amplifies that reality.--James W. and Michal Ann Goll, Encounters Network and Compassion Acts; authors, *The Seer*, *The Prophetic Intercessor* and the *Women on the Frontlines* series
