

This is the first full biography of one of the greatest Roman Catholic theologians of the last century. Schillebeeckx is alive and still writing important work. He is a Dutch Dominican and theological genius, whose influence on the Second Vatican Council was extraordinarily profound. He was regarded as the theological voice of progressive Catholicism. But in 1968 the Vatican Authorities started an investigation into his orthodoxy and a great many Catholics also felt that this was an attack on them. This is above all an intellectual biography - a work in which changes which are perceptible in his published work have been connected with the contemporary changes in the social, cultural, theological and ecclesiastical landscape. So this is a study of Schillebeeckx that puts him in his history - it is a new perspective of his ultimate significance for the church and for the development of theology. The aim of Erik Borgman in this book is to increase the knowledge of Schillebeeckx's theology by fully explaining its context.

Selected Sonatas (Belwin Edition: Piano Masters Series), The 200 Best Jokes Ever Written By Joe Martin Out Of 26,000, My Name is Gene, Collaboration in the Pharmaceutical Industry: Changing Relationships in Britain and France, 1935-1965 (Routledge Studies in the History of Science, Technology and Medicine), Lutherlesebuch Fur Das Evengelische Volk (German Edition), Team Woodwind: Bassoon (German Language Edition) (German Edition), Encyclopedia 1999: The International Buyers Guide to Alternatives in Cycling (Encyclopedia: The International Buyers Guide to Alternatives in Cycling), Diamadarithmos 21x6: 21 Diamonds and 6 Numbers,
