

Callista Trent is so done being a ninja. In her first month, she almost got caught with a stolen government laptop, nearly started a war, and barely avoided a nice, long stay in federal prison. Yet leaving the ninjas isn't as easy as she thought, not when they may be the only people who know how to keep her family safe. She plans to retrieve that information, and then it's so long, ninjas. But when it becomes clear that the ninjas are nowhere near done with her family, she has no choice but to accept a new, secret mission—one much more dangerous than her first. As she struggles to separate truth from deception—including her own—new friendships are tested and love begins to simmer, bringing with it complications she never thought she'd have to face. Now Callista must decide where her true loyalties lie—with the friends she comes to trust or with the family that might be hiding secrets of its own.
