~~~~~ â€œCome here then,â€• I said softly, pulling the thin blanket all the way back, revealing my body and Ziâ€™s weltd skin curved against it. Liaâ€™s eyelids fluttered and my heart started pounding at the look in her face. The want. She will never be full of me, the sudden realization hit me and with it a wave a heat so thick I thought I would choke from it. â€œLia.â€• I said again, desperately, and she rose, sliding the letters in her hand to a pile by the bed, her face locked on mine. Her hand touched my hip, running across the single welt lining my skin and I hissed, more pain than pleasure but the look in her eye as she traced itâ€¦ â€œThe nightâ€™s not over,â€• I whispered and her head lowered to kiss the curve of my waist. â€œNo, Meghan. Not nearly.â€•
