

Advanced Craps is just what it sounds like. this book is my favorite because of the power of the Money Management and discipline Theories. there are 131 chapters alone on Money Management. It takes the time honored idea of playing craps and offers a comprehensive and logical way of utilizing the Place Bets as a more potentially profitable way to play craps. this book has everything a player need to compete at the tables and a wide variety of off shoots to each suggested method of play. In short.....it is a MUST read.

Fifty Caribbean Writers: A Bio-Bibliographical Critical Sourcebook, Chakra Recipe Guide, MAKE PEANUTS with the Kindle (German Edition), Hellboy and the BPRD #1, See Yourself Well: General Wellness (Proclaiming the Baptist Vision),
