

Dr. I. B. Wrongo is the smartest guy in the land of Wrongovia. By spending 4,312 straight days in his secret testing facility, hes proven its more fun to be wrong...and hes created **THATS RIGHT, THATS WRONG!** to give kids everywhere the chance to play along, laugh along, and even learn along! **HOW MANY TIMES IN A 24-HOUR DAY DOES THE CLOCK STRIKE SIX?** If you said two, that would be right. But in this game were looking for the **WRONG** answer. No points for you! **NOTE TO PARENTS:** This game encourages kids to give the **WRONG ANSWERS** to a variety of questions. When they do, theyll score points and laugh themselves silly...and then theyll learn the **RIGHT ANSWERS** and some additional facts to remember. So dont worry, this game is sure to make them happier and smarter! And if you dont believe me, youre wrong too! Either way, congratulations! - Dr. I. B. Wrongo
