

High on the slopes of Haleakala, lavender plants stretch across the hillside, a sea of purple, green and silver. This is the home of Alii Kula Lavender—a special farm with a unique crop. Kula, an arid region of Maui, makes for a perfect place to grow lavender—a drought-resistant plant that requires rich soil, full sun and well-drained southwest-facing slopes. Besides its obvious aromatic appeal, lavender also has valuable medicinal and culinary properties; its use has been documented as far back as 2,500 years. The Maui Book of Lavender traces the herbs historic uses in Hawaii and abroad, and shares the story of the Alii Kula Lavender enterprise. Stunning photography and useful information on lavender crafts and home uses, as well as 39 recipes incorporating lavender, make this book a treasure for gardeners, home crafters, cooks and anyone else who appreciates a little lavender in their life.

The Biology, Physiology, and Sociology of Reproduction also Sexual hygiene with Special reference to the Male, Harry Resers Manual for Tenor Banjo Technique, Calculus for Business, Economics, Life Sciences, and Social Sciences (Custom Edition for Univesity of NC Greensboro), MacNab Of Dundurn, Comanche Reckoning (Kit Carson Book 5), Le Livre Blanc, Counter Strategies in Global Markets, Two Wheels Over Catalonia: Cycling the Back Roads of North-eastern Spain, The Scepter of Reason: Public Discussion and Political Radicalism in the Origins of Constitutionalism (Law and Philosophy Library), Horse Opera: The Strange History of the 1930s Singing Cowboy,

Besides its distinctive aroma, lavender boasts time-proven health, beauty and culinary value. The Maui Book of Lavender traces the herb's historic uses in.
