

In keeping with the Unofficial Guide philosophy, this book pulls no punches as it reports on the nitty-gritty details of more than 100 cruise lines and 500 ships, ranking each for value and quality. The authors reveal industry secrets for getting the lowest possible fares, share helpful hints for getting the cabin you want most at a price you can afford, and give strategies for booking hassle-free air connections, making the most of your time and money on board, and figuring out who your fellow passengers will be.
